

Notice for Level 1B certification,

The City of Canton has made arrangements with Glenn Sofge of AAA Environmental Solutions, Inc. to conduct the Level 1B certification class on September 19th and 20th, 2017, 8-5 at Canton City Hall, 3rd floor, 151 Elizabeth Street, Canton, GA 30114. The class is designed for inspectors that require the 1B certification.

The City has space to accommodate additional inspectors requiring this certification.

Cost is \$250 per student and payable at sign-in, payable to: AAA Environmental Solutions  
Reservations are required to guarantee seating.

A cut off date of September 14th to allow for printing of course materials.

A one hour lunch break will be the responsibility for each student. Canton has a variety of fast foods/restaurants to pick from.

Note: This is not a re-certification class

All jurisdictions/inspectors that are interested in having your inspector further their education in soil and erosion, please submit an email for registration to:

(name and jurisdiction for each student)
